

Physical Therapy at D'Youville University

Inspiring. Learning. Moving.

The PT program at DYU is committed to engaging in a culture of learning, caring, and inspiring to achieve the mission and vision as outlined in the strategic plan.

Mission:

Inspiring compassionate and innovative practitioners who will transform health through Physical Therapy.

Vision:

Transforming health in diverse communities by optimizing movement and mobility

Learning to Achieve Excellence

- Invest in contemporary pedagogy for all stakeholders
- Create curricular threads that develop cultural humanity
- Experience engagement and belongingness in learning
- Translate learning into practice innovation

Caring to Impact Health

- Advocate for equitable service for all populations
- Model interprofessional collaboration in teaching practice
- Engage in local community service that promotes health
- Seek opportunities to work collaboratively to promote health and prevent and manage chronic disease

Inspiring to Create Leaders

- Promotes scholarly collaboration in the HUB
- Partner with clinical faculty to translate science into practice
- Pursue opportunities to implement evidence into practice
- Engage in post graduate education to bolster professional effectiveness
