

DYOUVILLE

2023 Campus Climate Survey

INTRODUCTION AND RESPONSE RATE

As required by New York State Law 129B, Clery federal reporting requirements and because the safety of our university

THE SURVEY

The survey began with this introduction:

This survey is intended to gather information about sexual and interpersonal violence and knowledge of related policies and resources on your campus. The questionnaire takes about 15 minutes to complete. and your participation is voluntary. Your responses will be helpful to our campus as we are committed to ensuring a safe, healthy, and nondiscriminatory environment for our students.

Your responses will be confidential. *Your responses will be reported in terms of groups of students rather than as individuals. Some of the questions will ask about sexual and personal information. Some individuals might experience emotional discomfort while answering some of the questions.*

You may choose not to answer particular questions or stop taking the survey at any time. If you would like to continue, clicking on the link below will take you back to the survey.

The survey consisted of 40 questions and included questions in the following areas:

- Student experiences and perceptions as they relate to sexual assault, harassment and relationship violence on and off campus
- Perceptions of leadership, policies and reporting as they pertain to: the response of college officials to reports of sexual assault, sharing information in the appropriate manner, taking steps to ensure the safety/wellbeing of the person making the report and taking corrective action to address factors that may have led to the sexual assault
- Receiving training in policies and procedures as they pertain to reporting sexual assault, confidential resources and procedures for investigating a report; and knowing where to get help
