

# D'YOUVILLE UNIVERSITY

**Policy Title:** Student Health Insurance

**Responsible Unit:** Student Affairs, Student Accounts, Student Success Center

**Implementation Date:** August 13, 2019

**Last Review Date:** February 8, 2024

**Next Review Date:** February 8, 2028

All D'Youville University students are required to carry adequate health insurance during their time of attendance. To ensure coverage, the University automatically enrolls each student into an insurance program provided through a partnership with [Haylor, Freyer & Coon](#).

Students who are already enrolled in their own insurance can waive this University coverage by submitting proof of adequate insurance into their student portal which is then reviewed by student support staff each semester.

Mid-year termination of student health insurance is not accepted.
